Part II: Graduate School Funding

Please indicate how you intend to cover the cost of tuition at Claremont Lincoln University (check all that apply):

- ☐ Federal Financial Aid
- ▶ Students intending to apply for Federal financial aid should begin the process by completing the [Free Application for Federal Student Aid \(FAFSA\)](#) online. CLU's school code for FAFSA is **042536**. Once you have completed your FAFSA you will need to make an appointment with the Office of Financial Aid
- ☐ I would only like to borrow the amount required to cover the cost of tuition. All students who utilize federal financial aid are responsible for paying back loans with accrued interest.
- ☐ Military Benefits
- ▶ Students utilizing military benefits should make an appointment with the Office of Financial Aid to coordinate use of those benefits at CLU
- ☐ Cash Payments/Private Loans
- ☐ Employer Tuition Reimbursement Name of Employer:

Other:

Students using Federal financial aid or military benefits may schedule an appointment with the Office of Financial Aid by contacting financialaid@claremontlincoln.edu or (909) 667-4484. Students making cash payments will be contacted prior to the start of the term with instructions for making payments via the Student Portal.

Claremont Lincoln University reserves the right to change the conditions of admission, change or revise degree requirements, and/or change or cancel courses currently scheduled for the program of study. Any changes in the condition of admission or in the program of study will be communicated to you in writing.

I have read and agree to the terms and conditions as stated above.
