- B. Complete this section to provide your social security number. Students who are U.S. citizens must provide a social security number to apply for financial aid and so that 1098-T tax documents can be filed with the IRS noting annual tuition paid.**

- C. Complete this section to update your name in the event of a name change. Students who have had a name change must provide legal documentation (i.e., marriage license, driver's license, etc.) noting their new name.**
